12/30/68

Dear Dick,

The Paris-Match photographer was Jerry Allen Herald, Box 81, Gonzalez, La. He got to Dallas 4:45 p.m. 11/22/63, on assignment from the NY office.

Gonzalez is a crossroads not far from Baton Rouge, a little south of it and near the Mississippi. I've been there, or rather saw a sign that told me I was. Otherwise, I'd not have known it.

My source is CD 1485.

Hope you have a good year.

Sincerely,

Harold Weisberg
